

# Help us grow!

Fall 2024

Thank you for being a vital part of the Buffalo and Erie County Botanical Gardens. With your support, you've already helped make our incredible programs, events, and exhibits possible for our community. We believe in creating an extraordinary place for people to connect with nature, recharge, and experience joy year-round. With the hustle and bustle of everyday life, our gardens offer a peaceful escape, full of life, color, and endless inspiration. Whether it's through our family-friendly activities, tranquil respites, or artistic events, there is something here for everyone. Your continued involvement fuels our mission and brings our community together in this unique and inspiring space.

We take pride in offering diverse programs that make our gardens come alive every season. Our interactive workshops, Open Art Nights, family days, and special exhibits fill our calendar with unique experiences for all ages. This fall, we're even extending our hours every Thursday so that you can explore the conservatory at your convenience for just \$10. It's the perfect opportunity to bring friends and family and enjoy the beauty of our gardens all day long.

"A beautiful place to relax and enjoy the peaceful background music while strolling through the plethora of diverse plants."

"Well worth a visit to see one of the most gorgeous glasshouses in the US! But, of course, it wouldn't be complete without the beautiful plants and flowers!"

Those seeking a moment of calm in their busy schedules can join us for Unwind Wednesdays once a month. On these evenings only, our conservatory is dedicated to being a quiet place to relax, reflect, and recharge. Visitors are encouraged to bring a book, journal, plug in your headphones or simply enjoy the silence among the

lush greenery and find peace among the plants. This "middle of the week" break is a perfect way to unwind and retreat from reality.

As a not-for-profit organization, we rely on the generosity of our community to continue offering these wonderful programs and to maintain our beautiful greenhouses.

Your gift will ensure that we can continue creating extraordinary experiences, preserve our living collections, and make our gardens accessible to everyone. Your thoughtful investment in our important community resource will have a direct and meaningful impact.

With your help, we can continue to offer the beauty and serenity of nature to all who visit. Thank you for your kind consideration of support.

Sincerely,

Erin Grajek  
Interim President/CEO

*The Buffalo and Erie County Botanical Gardens Society, Inc. is a 501(c)(3) not-for-profit organization with a mission to deepen the connection between people and plants through beautiful gardens and extraordinary experiences.*

*P.S. You can **double the impact** of your gift through your or your spouse's employer's Matching Gift Program. Check with your employer to see if they will match your gift to the Botanical Gardens.*

"I love our  
Buffalo & Erie County  
Botanical Gardens.  
I belong to it and come  
in at least once a month.  
It's so beautiful and  
relaxing just to sit. But  
from room to room,  
you can see things  
change and the  
different fragrance  
of the plants."
